Greetings Fellow Enrolled Agents,

It is hard to believe that another year has flown by. As an organization we have pursued and accomplished many goals, the (MiSea.org) web site has continued to be updated and at present time it is very easily navigated.

The **SOS program** is in place for those members that do not have a contingency plan in the case of illness or disability. SOS offers a possible solution if you are unable to work during tax season.

**"ENROLLED AGENT DAY" became "ENROLLED AGENT WEEK"** a proclamation signed by Governor Rick Snyder, February 1, 2017 secured by board member **"public awareness chairperson"** Dan Bosler.

Our **seminars and continuing education programs** were outstanding. Many thanks to the committee for all of their efforts. Did you know if you attended just the MISEA education events you would have met your federal requirements for CPE?

The **membership committee**, Lynette Saylor and Steve Rainey, worked tirelessly to welcome new members, retain membership, and advertise the MISEA credential. It showed an increase in members.

Bob Blehm who has attended our **IRS/Michigan liaison meetings** and has had the important info to our website/emails to keep you informed.

I have to thank our Vice President Faye Ball, our Treasurer Beth Keppel, and our Secretary Tom Johnson for all of the hard work they have given to our association. AND the entire board for their dedication to our association and loyalty to our credential. I apologize if I have missed anyone.

To all members, I am reaching out to **you**, I invite you to consider helping your Society and *join a committee*. We now have Open Board Meetings and we encourage all members to attend. Come and "check us out". **The MISEA needs you!**
